

# BUY ONE, GET ONE TREE

Beacon has teamed up with the award winning conservation charity **Trees for Life** which is dedicated to the regeneration and restoration of the Caledonian forest in the Scottish Highlands.

**It's so easy!** If you place an order using one of our recommended recycled papers over the next 6 months we will plant a tree on your behalf and send you a certificate to say **Thank You!**

Enclosed with this mailer is our little book of 'green' samples which demonstrates what kind of results can be achieved on recycled paper. Whilst we can produce your print on any of these stocks, this is just an example of what is available and we will be only too happy to offer advice on what might be most suitable for you.

Please get in touch and let us know how we can help you make your next project **greener.**

**beacon.**

**T:** 01628 485 555

**E:** info@beacongraphics.co.uk

**W:** beacongraphics.co.uk

This mailer has been digitally printed on New Take 2 Offset (RCF) 300gsm 100% recycled paper.

trees for life

As part of our ongoing commitment to the environment, Beacon is now FSC certified.

### What does this mean?

The Forest Stewardship Council (FSC) is an international organisation that promotes responsible stewardship of the world's forests. Its product label guides consumers to recognise products that support responsible forest management.

### And...

As well as sourcing the best quality and most cost-effective environmentally friendly materials, we only use vegetable-based inks and are always seeking ways to further reduce our use of Isopropyl Alcohols (IPAs). Within the next year we're planning to adopt process-free plate technology.

**Call us on 01628 485 555**
